CS Management (TÜV Rheinland) IEC 62443-4-1:2018 (Edition 1.0)
Product Supplier CSM 108, Maturity Level 2: Managed

Certificate No.

968/CSM 108.00/22

Certified Company & Location

KROHNE Messtechnik GmbH
Ludwig-Krohne-Straße 5
47058 Duisburg
Germany

Scope of Certification

Product Supplier, related to IEC 62443-4-1:2018 (Edition 1.0)
Security for industrial automation and control systems
Part 4-1: Secure product development lifecycle requirements

The company has successfully demonstrated during an audit process that a Security Development Lifecycle Management System "Secure Product Development Lifecycle (SPDL)" has been defined and fulfills the applicable requirements of the standard,

according to **Maturity Level 2: Managed**.

Purpose of the audit is to obtain evidence of compliance with the organizational requirements related to the **Management of Cyber Security** according to the Scope of Certification, **covering the development of security related components**.

This CSM Certification only refers to the listed company location and their involved departments, which comply with the organizational CSM requirements for the listed Scope of Certification. This certificate does not imply approval or certification for specific security related developments of products.
